

dpr Jeopardy: Laws and Regulations FJ

Regulators and Regulations	Worker Safety	Safe Use	Paperwork and Licensing	Storage and Equipment
10	10	10	10	10
20	20	20	20	20
30	30	30	30	30
40	40	40	40	40
50	50	50	50	50

dpr

Regulators and Regulations...for 10

- Number of ppm required for clearing a structure of sulfuryl fluoride.

dpr

Regulators and Regulations...for 10

- What is 5 ppm or less?
- Label.

dpr

Regulators and Regulations...for 20

- Instrument for measuring sulfuryl fluoride levels.

dpr

Regulators and Regulations...for 20

- What is an Interscan? OR
- What is a Miran?
- Label

dpr

Regulators and Regulations...for 30

- Looking for leaks, use this old flame.

dpr

Regulators and Regulations...for 30

- What is a halide torch?

dpr

Regulators and Regulations...for 40

- Instrument relying on chemical reaction in small glass tube.

dpr

Regulators and Regulations...for 40

- What is a Draeger Tube?

dpr

Regulators and Regulations...for 50

- Manufacturer's recommendation for frequency of Interscan calibration.

dpr

Regulators and Regulations...for 50

- What is every three months?

dpr

Worker Safety... for 10

- Required at all likely entrances.

dpr

Worker Safety... for 10

- What is posting with time, date, and material used for fumigation?

dpr

Worker Safety... for 20

- Required to be filed annually with agricultural commissioner prior to performing any fumigations in the county.

dpr

Worker Safety... for 20

- What is a annual notification to perform structural pest control?

dpr

Worker Safety... for 30

- Required on site in case of an "oops".

dpr

Worker Safety... for 30

- What is an accident response plan?

dpr

Worker Safety... 40

- Signed by occupant or home-owner and required at site.

dpr

dpr

Worker Safety... for 50

- Industry plan to make aerations as safe as possible. Required at site.

dpr

Worker Safety... for 50

- What is the TRAP (Tarp Removal and Aeration Plan)?

dpr

Safe Use... for 10

- Number of employees trained in SCBA required on site.

dpr

Safe Use... for 10

- What is 2?

dpr

Safe Use... for 20

- Long thin gas “guards”.

dpr

Safe Use... for 20

- What are sand or water snakes?

dpr

Safe Use... for 30

- Warning agent for methyl bromide.

dpr

Safe Use...for 30

- What is chloropicrin?

dpr

Safe Use... for 40

- Must have plastic covers removed.

dpr

Safe Use... for 40

- What are mattresses and pillows?

dpr

Safe Use...for 50

- Medicines, food, feed.

dpr

Safe Use... for 50

- What must be removed from the building or bagged prior to a fumigation?

dpr

Paperwork and Licensing... for 10

- Type of gloves required when shooting methyl bromide.

dpr

Paperwork and Licensing... for 10

- What is none?

dpr

Paperwork and Licensing... for 20

- Arm coverings required for methyl bromide fumigations.

dpr

Paperwork and Licensing... for 20

What are long sleeves?

dpr

Paperwork and Licensing... for 30

- Worn when entering unknown gas levels.

dpr

Paperwork and Licensing... for 30

- What is an SCBA (Self Contained Breathing Apparatus)?

dpr

Paperwork and Licensing... for 40

- Number of and name of air supply required at fumigations.

dpr

Paperwork and Licensing...for 40

- What are 2 SCBAs (Self Contained Breathing Apparatus)?

dpr

Paperwork and Licensing... for 50

- Personal adornments not allowed during methyl bromide fumigations.

dpr

Paperwork and Licensing... for 50

- What is jewelry?

dpr

Storage and Equipment... for 10

- Used to seal medicines, etc. left in the structure fumigated with sulfuryl fluoride.

dpr

Storage and Equipment... for 10

- What are Nylo-fume bags?

dpr

Storage and Equipment... for 20

- Holds in the gas.

dpr

Storage and Equipment... for 20

- What is the tarp?

dpr

Storage and Equipment...for 30

- Measures the gas used.

dpr

Storage and Equipment... for 30

- What is a scale?

dpr

Storage and Equipment... for 40

- Required on all doors.

dpr

Storage and Equipment...r 40

- What are secondary locks?

dpr

Storage and Equipment... for 50

- The difference between active and passive aeration.

dpr

Storage and Equipment... for 50

- What are fans?

dpr

Final Jeopardy Category

“The Gospel”

dpr

Final Jeopardy Answer

- B&P Code section that requires training for Agricultural Commissioners' staff prior to disciplinary action.

dpr

Final Jeopardy Question

- What is B&P Code § 8616?
